

# Business Setup & Tax Advisory Firm in the UAE

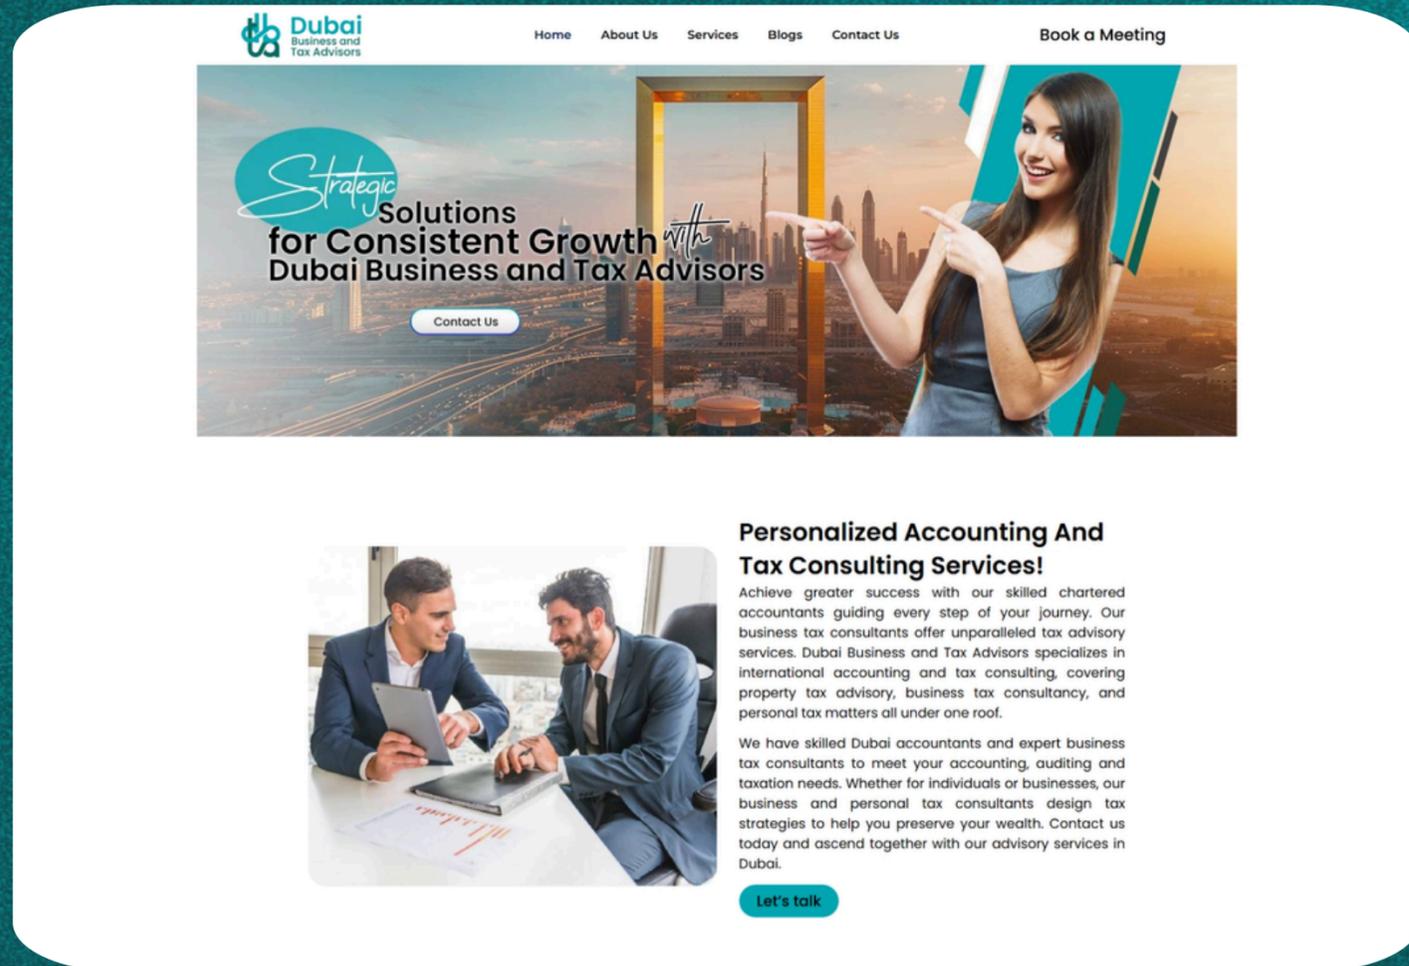

Portfolio Case Study Report

How Strategic Digital Positioning Elevated Authority & Lead Clarity

# Website Transformation

BEFORE

AFTER

Weak Visual Hierarchy

Limited trust emphasis

Low strategic differentiation

Structured jurisdiction segmentation

Clear service architecture

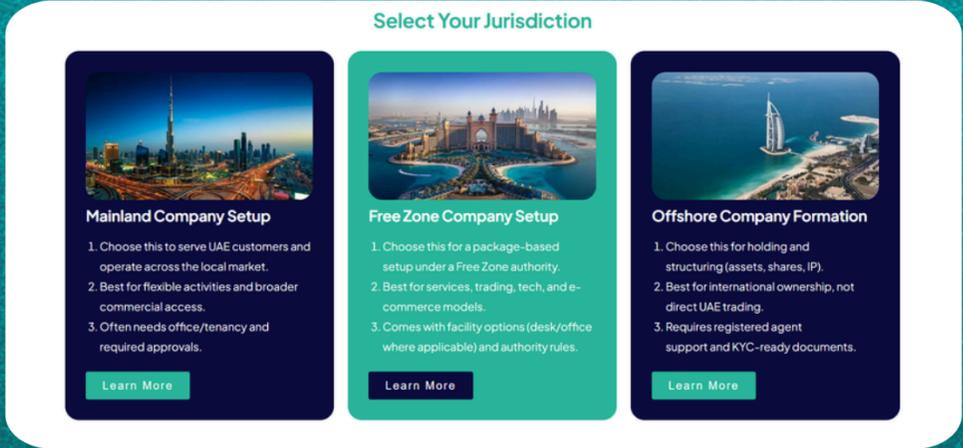

Integrated trust indicators

# Design System & Brand Refinement

## Authority-Focused Hero Section

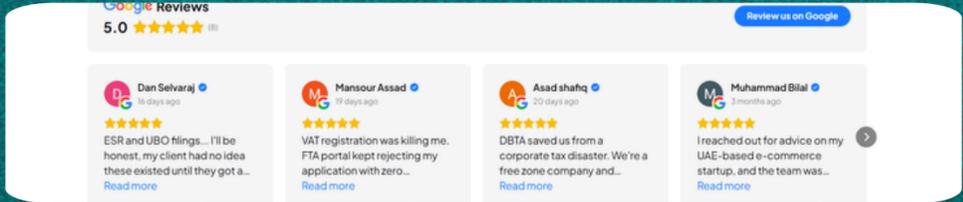

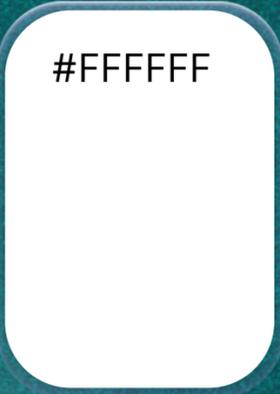

Clear positioning around Dubai Company Setup, Tax Planning & Finance Strategy with visible primary CTA.

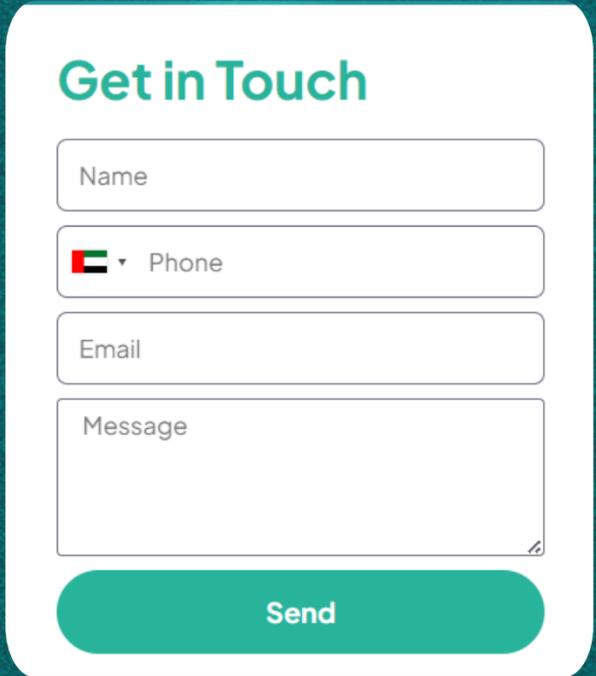

## Modular Service Architecture

Segmentation of Mainland, Free Zone, and Offshore structures for clarity and user navigation..

## Color Palette

Trust Signal Integration Experience highlights, credibility messaging, and structured testimonial placement to reinforce confidence.

Conversion Infrastructure Low-friction enquiry forms supported by strong visual contrast and logical content progression.

# UX & Conversion Architecture

- **Clear above-the-fold positioning:** “focused on company formation and tax advisory in the UAE”
- **Strategic CTA placement:** “visible within first . scroll interaction
- **Structure service segmentation:** across jurisdictions and advisory categories.
- **Trust signals** integrated early through experience, markers and credibility positioning.
- **Minimal friction contact flow** contact flow supported by simplified consultation forms.

The screenshot displays the website for Dubai Business and Tax Advisors (DBTA). The top navigation bar includes contact information (+971568191060, info@dbta.ae, Office 1416, The Binary by Omniyat) and a menu with Home, About Us, Services, RAK ICC, Blogs, Contact Us, and a prominent 'Book an Appointment' button. The hero section features a large image of a diverse team of professionals. The main headline reads 'Dubai Company Setup, Tax Planning, Finance Strategy' with a sub-headline 'From Company Formation to Financial Mastery, All Under One Roof'. A call to action 'Contact Us' is visible. A statistics box highlights '16 Years of Experience' and '100% Client Satisfaction'. Below the hero section, a section titled 'Business Incorporation Steps' details the 'Process of Business Setup in Dubai and the UAE'. A vertical list of steps includes 'Select the Right Jurisdiction', 'Prepare Your Documents', 'Get Your Business License', 'Process Your Visa', and 'Open a Corporate Bank Account'. The 'Select the Right Jurisdiction' step is expanded, showing a sub-section with a scales icon and text explaining the importance of choosing the correct jurisdiction for business setup.

Launch your Business with Clarity & Confidence

## Dubai Company Setup, Tax Planning, Finance Strategy

From Company Formation to Financial Mastery, All Under One Roof

At Dubai Business & Tax Advisors (DBTA), we go beyond paperwork. As your trusted business tax advisor and setup partner, we guide you through every stage of establishing your company in Dubai, from business license in Dubai or Abu Dhabi, to corporate bank account opening, to tax and compliance advisory services. Our seasoned consultants ensure your structure is efficient, compliant, and ready for growth, helping you unlock business tax benefits, reduce risk, and achieve long-term success.

### Business Incorporation Steps

#### Process of Business Setup in Dubai and the UAE

At Dubai Business & Tax Advisors (DBTA), we simplify the journey of setting up your company in Dubai. Our ACCA-qualified team ensures every step, from choosing the right business license in Dubai to opening a corporate bank account, is structured, compliant, and aligned with your long-term goals.

- Select the Right Jurisdiction
- Prepare Your Documents
- Get Your Business License
- Process Your Visa
- Open a Corporate Bank Account

#### Select the Right Jurisdiction

Choosing the correct jurisdiction is the foundation of a successful business setup. We assess your objectives to recommend Mainland, Free Zone, or Offshore structures that deliver maximum small business tax benefits, efficient compliance, and international credibility. With DBTA, you avoid costly mistakes and build on the right footing from day one.
